

Seamless Performance from Phenoseal®

Introducing the new line of Phenoseal® laminate countertop sealant and repair products! This premium, high-quality product line consists of four new Laminate Perimeter Sealants and three new Laminate Repair Fillers.

PHENOSEAL® LAMINATE PERIMETER SEALANTS

Phenoseal® Laminate Perimeter Sealant is a high-quality, acrylic-based product for sealing around the edges of countertops and backsplashes in new laminate countertop installations.

- Permanently Flexible
- Mold and Mildew Resistant
- Waterproof Seal
- Easy Water Clean Up
- Low VOC Content
- Improves Energy Efficiency

PHENOSEAL® LAMINATE REPAIR FILLER

Phenoseal® Laminate Repair Filler is a premium acrylic-based color blended filler for laminate countertops. It fills chips, scratches, cuts, and seams in most brands of laminate countertops. They are packaged in convenient “one-time-use” 1.7 oz. squeeze tubes and merchandised in gravity feed ship cases.

- Designed to Blend well with Laminate Countertop Surfaces
- Easy Water Clean Up
