

PHENOSEAL®

One Phenomenal Sealant™

IDEAL FOR SEALING AROUND:

INDOOR / OUTDOOR USE

- Cement wood studs to masonry.
- Caulk chimney and gable flashing.
- Adhere new baseboard moldings.

BATH

- Set or replace loose floor or wall tiles.
- Caulk around metal/glass shower frames.
- Adhere soap dishes and other small bathroom wall fixtures.

MASONRY

- Fill cracks in cellar walls and floors.
- Bond and caulk metal thresholds, or metal tracks for sliding doors, to flagstone or concrete floors.
- Repair broken masonry, such as concrete wall capping or chips.

KITCHEN

- Install sinks in countertops.
- Glue miter joints.
- Bond and seal backsplash to countertop.
- Reinforce nailed or screwed joints, especially those subject to stress.
- Install cork or bulletin board on walls.
- Glue wood joints (including end-grain) without clamps or pressure.
